## MEMBERS OF THE NORTHUMBERLAND COUNTY BOARD OF SUPERVISORS:

In light of the continuing process of revising the Northumberland County Zoning Ordinance, the undersigned staff respectfully request that the Board enact emergency legislation to no longer allow the following listed uses as "permitted by right" in the noted Zoning districts. They will require a Conditional Use Permit until staff has sufficient time to present proposed changes in uses in the Zoning Ordinance to the Planning Commission and to the Board of Supervisors. We believe that the location of these uses should be controlled and should not be allowed in the Zoning Districts without consideration and approval by the Board of Supervisors.
