In both instances waivers can only be granted provided that:

[Amended 10-14-2004]

(3) The requirements in § 54-17E must be satisfied to allow for the expansion of a nonconforming principal structure.

C. An application for a nonconforming use and development waiver shall be made to and upon forms furnished by the Administrator and shall include, for the purpose of proper enforcement of this chapter, the following information:
