Recycling in Northumberland County

Paper

Clean dry paper, including:

Newspapers

Magazines and Catalogs

Office Stationery and Mail

Telephone Books

Place shredded paper in paper bag.

No heavily waxed containers, waxed paper or cellophane.

Cardboard

All clean dry Cardboard, including corrugated and cereal and frozen food boxes

Collapse boxes to allow for more room in the bin.

Plastics

Only #1, #2 and #3 Plastic Containers and Bags

Find number for the plastic at bottom of the container (within triangle of arrows).

Containers should be empty.

Metal

All Metal Cans, including lids

Clean Aluminum Foil and Pie Pans

Place large metal items in a separate, open-ended container.

Batteries

Car, Appliance, Flashlight and Communication Device batteries

Rechargeable batteries

Ask Waste Management attendee for location of the pallet and set batteries on the pallet.

Glass

Only Bottles and Jars

Put metal caps and lids in bin for Metals.

Oil

Horsehead only

Ask Waste Management attendee for location of the container.

Labels do not need to be removed from containers.

Do not tie any materials with string or place in plastic bags. Deposit as individual items.
