FINES FOR LITTERING

It is the duty of all residents of Virginia to dispose of their solid waste in a legal manner. The failure to dispose of solid waste legally may result in a fine and/or a jail sentence. *Each citizen has a duty to report to the appropriate authorities the improper or illegal disposal of solid waste by others.*

COVERED TRASH

Trash transported in open vehicles should be secured in boxes, bags, or other secured containers and should be covered to prevent the blowing or illegal depositing of such substances upon the highway. *The drivers of uncovered vehicles are responsible for debris being transported in their vehicle and may be held criminally liable for this material littering the highways.*

HAZARDOUS MATERIALS & TOXIC SUBSTANCES

Special rules apply to the disposal of hazardous materials and toxic substances. These materials cannot be disposed of at Northumberland County collection sites.
