Approve May minutes

Board approved minutes from May meeting

Status of candidate filing for November 2019 election

Filing deadline is today; all known candidates have filed; filing deadline is 5:00 PM today, do not anticipate any last-minute filing. Registrar is double-checking signatures on petitions for Commonwealth's Attorney and Supervisors from districts 1 and 5. Does not anticipate any problems.

One individual has indicated she will run as write-in candidate for Supervisor, District 5. Registrar discussed candidate's reporting requirements with her.

Status of candidate financial reports

All financial reports were filed on time.

The board then discussed one former candidate.

One former candidate who served in an elected position has not run for office in four years, yet he maintains an open campaign financial account. Code of Virginia 24.2.948b states, if candidate has not run for office for four years, the candidate should close the account.

Registrar recommended and Board agreed to send a letter to the candidate advising him to close his campaign account within 30 days, with instructions of how to close the account and how the candidate can dispose of funds in the account.

Status of training

PollPads are in with all attachments and accessories. Kathy has worked with the PollPads and is very comfortable with both pre- and post-election PollPad operations. Kathy will call in one or two Officers of Election from each precinct for one-on-one
