

RFP Design- Humidity Control and HVAC Design/Replacement RFP # 21-092321B

Addendum 1: 9/14/2021

- 1) Will any cost estimate/budget or prospective start date information be released for this project?

The Board of Supervisors did not specify a budget amount for this project. We would like to have all proposals reviewed and negotiations finalized to present a recommendation to the Board of Supervisors at their October 14, 2021 Board of Supervisors Meeting. Once approved by the Board of Supervisors, we would anticipate to get started immediately.

- 2) Confirmation that the full document is 7 pages.

Correct, the document consists of 7 pages.
