

RESOLUTION

WHEREAS, upon determination that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation as allowed by the Code of Virginia under §2.2-4303 E; and

WHEREAS, the Reedville Sanitary District utilizes Airvac equipment; and

WHEREAS, the Reedville Sanitary District is requesting upgrades to the Airvac System by installing the SMART System to maintain the vacuum lines and that of remote viewing of the station; and

WHEREAS, the Reedville Sanitary District also believes this would aid in COVID situations; and

WHEREAS, Airvac is proprietary in nature and Aqseptence Group would be the only practicable vendor to supply the Airvac equipment, and therefore would be impractical for competitive sealed bidding to be requested to obtain the aforementioned upgrade from another vendor.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Northumberland County, Virginia, authorizes the County Administrator to enter into a contract with Aqseptence Group for the purposes of upgrading the Airvac SMART System.

ADOPTED: September 9, 2021.

E. Luttrell Tadlock, Clerk and County Administrator for the
Northumberland County Board of Supervisors
