

ADVERTISEMENT FOR BIDS

Northumberland County Heathsville, VA Reedville & Callao Wastewater Treatment Improvements Project

General Notice

Northumberland County (Owner) is requesting Bids for the construction of the following Project:

Reedville & Callao Wastewater Treatment Improvements Project

Bids for the construction of the Project will be received at the Old Court House Complex located at 72 Monument Place, Heathsville VA 22473, until **June 10th 2021** at 2:00 PM local time. At that time the Bids received will be **publicly** opened and read.

The Project includes the following Work:

The project entails wastewater treatment improvements at two (2) separate treatment facilities (Callao and Reedville WWTPs) that are both owned and operated by Owner. The project is being advertised/bid as a single project with the contract documents entailing one (1) project manual and two (2) sets of drawings (1 set of drawings for work associated with the Callao WWTP; and 1 set of drawings for the work associated with the Reedville WWTP).

The Callao WWTP is an existing MBR facility with a design capacity of approximately 39,000 gpd. The major elements of work to be performed at the Callao WWTP include: New influent screening; new in-line EQ basin; new plant influent pump station; new sludge thickening; RAS pumping and piping improvements; and HVAC improvements to the existing control building.

The Reedville WWTP is an existing SBR facility with a design capacity of 200,000 gpd. The major elements of work to be performed at the Reedville WWTP include: New influent screening; conversion of existing SBR basin into an in-line EQ basin; new SBR feed pump station; new SBR tanks and treatment system; new tertiary filtration; new UV disinfection; new effluent pump station; new sludge dewatering building; new electrical building/gear; new generator; SCADA system for new processes/equipment.

Bids are requested for the following Contract: **Reedville & Callao Wastewater Treatment Improvements Project**

The Project has an expected duration of **670** days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

[www.co.northumberland.va.us\public notices](http://www.co.northumberland.va.us/public_notices)

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

Pre-bid Conference

A non-mandatory pre-bid conference for the Project will be held on **May 18, 2021** at **1:00** at the Reedville WWTP located at 152 Menhaden Road, Reedville, Virginia 22539.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components,

Pig iron and direct reduced iron, and
