

RFP-24-012224 ADDENDUM  
Issued: January 16, 2024

1. Can you tell me if an hourly rate sheet would suffice for the “breakdown of the firm’s rates, fees, and charges for services” under the evaluation criteria for the above referenced project??
  - a. Yes, an hourly rate sheet would suffice for the breakdown of the firms rates, fees and charges for services as long as it covers any and all charges the firm may submit if selected.
  
2. I would like to request any additional available photos and/or information about the building so we may prepare a better understanding of the project.
  - a. See below
