BORING PROPOSAL

Date: January 26, 2024

To: Northumberland County | Lutrell Tadlock, County Administrator | 72 Monument Place | Heathsville, VA 22473

Attention: Robert Mangrum

Project: Reedville Directional

Location: Reedville, VA

Bid Date: January 26, 2024

Description of Work: Webb Boring LLC. will directional drill 800 L.F. of 8” SDR-11 and fuse flanges on both ends for a lump sum of \$375,000.00.

Webb Boring will furnish HDPE pipe and flanges. County to provide a place to dump spoil, all water needed to drill, and locate both ends of the existing 8” existing lines on both sides.

Once the existing lines are located, we can then see what all is needed to tie in. We will use stainless steel flanges on the HDPE pipe and then use and then rod it together, we will also use 45`'s or 90`'s (which ever is needed)

***If work is not done within twelve months of the proposal, Webb reserves the right to increase our price.**
